

Laboratory Instructor

Department of Engineering, Faculty of Science

Limited Term Appointment

Position Description

The Department of Engineering invites applications for a limited term appointment as a Laboratory Instructor. The term of the appointment is from August 12, 2024 to May 9, 2025. The appointment is full time, 40 hours per week.

The ideal candidate will have experience with the Autodesk software, especially AutoCAD, Instron materials testing equipment, fluids and thermodynamics experimental setups, and other engineering instrumentation. The successful candidate will have a minimum of a Bachelor's degree in Science or Engineering. The Department is seeking candidates who are committed to contributing to StFX's priorities of equity, diversity, and inclusion. Demonstrated ability in attracting underrepresented groups of students to the program is an asset.

Under the guidance of the faculty members in charge of the courses, the lab instructor prepares, supervises, and grades first year and second year student laboratories and problem sessions. Responsibilities also include maintaining the department computer lab, as well as duties assigned by the Department Chair.
